Mal Spooner is the President and CEO of Mavrix Fund Management Inc. He has over 25 years of investment experience throughout his extensive

career, which has included past Vice Presidencies and Portfolio Management positions with a number of leading investment counsel firms. In these positions, Mal was responsible for investment management of institutional, mutual funds and segregated client portfolios. He has been published frequently in leading investment journals and is the author of *Resources Rock*, a book published in 2003 which predicted the recent metals and mining bull market. He is a past Director of the Toronto Society of Financial Analysts and has an MBA, MA and BA degrees and was awarded the CFA charter in 1986.

Paul MacDonald is responsible for equity research and supporting the portfolio management team in selecting and monitoring investments in the Flow Through Funds.

Paul joined Mavrix Fund Management Inc. in March 2005 after spending three years as an investment associate with a major North American investment firm. Paul obtained a Bachelor of International Finance degree from Griffith University in Australia and is a Chartered Financial Analyst charter holder. Paul is also a member of the Toronto Society of Financial Analysts.
